Bei Anwendung von **Diagonalen** oder **Längsverbänden** haben die Tragfähigkeiten nur dann Gültigkeit, wenn:
Jedes 3. Regalfeld mit einer Diagonalen oder mit Längsverbänden versehen ist.
Avec l'utilisation des **diagonales** ou **renfort longit**, les capacités de charge sont valables uniquement si :
une unité de rayonnage sur 3 est munis de diagonales ou de renfort longit.
Utilizzando le **diagonali** o i **giunti longitudinali**, le portate sono valide solo se:
una campata ogni 3 è dotata di una diagonale o di un giunto longitudinale.
Cuando se utilizan **diagonales** o **estructuras longitudinales**, las capacidades de carga tienen validez solo cuando:
cada tres módulos de estantería se dispone de una diagonal o estructuras longitudinales.
When using **diagonal braces** or **lengthwise braces**, the loadbearing capacities are only valid if:
Every third shelf unit is fitted with a diagonal brace or with lengthwise braces.

Bei Anwendung von **Rückwänden** haben die Tragfähigkeiten nur dann Gültigkeit, wenn:
Bis 5 Regalfelder: mindestens ein Regalfeld mit einer Rückwand versehen ist.
Ab 6 Regalfelder: mindestens 2 Felder oder jedes 5. Regalfeld mit einer Rückwand versehen ist.
Avec l'utilisation de **parois arrières**, les capacités de charge sont valables uniquement si :
jusqu'à 5 unités de rayonnage : au moins une unité de rayonnage est munis d'une paroi arrière.
à partir de 6 unités de rayonnage : au moins 2 unités ou une sur 5 est munis d'une paroi arrière.
Utilizzando le **pareti posteriori**, le portate sono valide solo quando:
fino a 5 campate: almeno una campata è dotata di una parete posteriore.
da 6 campate: almeno 2 campate sono dotate di parete posteriore.
Cuando se utilizan **paneles posteriores**, las capacidades de carga tienen validez solo cuando:
la estanteria se dispone de min. un panel hasta el modulo número 5 y apartir de el modulo número 6 min. dos paneles por modulo.
When using **rear panels**, the load-bearing capacities are only valid if:
Up to five shelf units: at least one shelf unit is fitted with a rear panel.
From six shelf units: at least two units or every fifth shelf unit is fitted with a rear panel.
