

1. General information

|              |                                |                       |          |
|--------------|--------------------------------|-----------------------|----------|
| Product name | Premium light document pouches | Ref.                  | 708834   |
| Product type | document pouches               | Customs tariff number | 39232100 |

2. Technical details

|        |      |                 |         |
|--------|------|-----------------|---------|
| Weight | 4 kg | Weight per item | 0.02 kg |
|--------|------|-----------------|---------|

3. Environmental and sustainability information

|                                |                                                    |
|--------------------------------|----------------------------------------------------|
| Main material                  | PE (Polyethylen)                                   |
| Recycled content in %?         | 50 %                                               |
| Sustainability                 | Recyclable<br>CO <sub>2</sub> footprint calculated |
| Separable into pure materials? | yes                                                |

4. Logistics

|                    |          |
|--------------------|----------|
| Pack of            | 250 pcs. |
| Quantity on pallet | 144 pack |

5. PPWR information in accordance with Article 5

|            |                    |
|------------|--------------------|
| PPWR Scope | Industrial Product |
|------------|--------------------|

According to the current state of technology and knowledge, this product meets the applicable legal requirements for packaging materials and machines, respectively. The product is manufactured in accordance with the currently applicable technical standards and legal regulations (including existing amendments and changes, as well as those coming into force in the future, in so far as these are already known).

Technically related further developments or necessary changes to the product, including adjustments to material, design or packaging, will be communicated to the customer in good time.
