## 6–10 | Wide span boltless shelf units

- Optimum price/performance ratio
- With high-quality plastic coating
- Very good space utilisation due to five different shelf depths and four shelf heights

Max. shelf load: 200 kg. Material: steel. Colour of uprights: grey. Shelf colour: grey. Shelf material: sheet steel.

If the height of the shelf unit equals more than 5 times its depth, it must be secured against tipping with suitable floor or wall fasteners.

The specified max. load values are applicable with uniform load distribution. Additional shelves may be used if the specified max. bay load is observed.
