- Film pouches with self-adhesive backing for attaching to surfaces
- Ideal for warning signs, information signs, navigation etc.

Type: self-adhesive. Film thickness: 125 µm.

For format: A5. Height: 154 mm. Width: 216 mm. Pack of: 200.

►Ref. 510 592 3H £/pack 117.00

For format: A4. Height: 216 mm. Width: 303 mm. Pack of: 100.

►Ref. 510 593 3H £/pack 105.00

Premium laminating pouches

- Premium quality, high gloss for particularly high quality lamination
- The high polyester content and the very low glue content prevent the rollers and heating plates from gluing up
- Excellent results, even on temperature sensitive documents

Type: standard.
