

3

2–8 | Whiteboards

- For very intensive use, durable, e3 certified and 99% recyclable
- Magnetic work surface that can be written on and dry wiped
- Can also be used as a projection surface with an ultra-short throw projector

Finish: steel, enamelled. Fittings: storage tray. Depth: 39 mm. Frame thickness: 30 mm. Material of writing board: steel, enamelled. Colour of writing board: white.

Extremely durable board surface due to the stoving of the enamel layer at approx. 800 °C.

Other enamelled surfaces (semi-matt/matt) for use with other types of projectors, or custom made models, available on request.

1 | Starter sets

Scope of delivery: 4 board markers (black, blue, green and red), 1 marker holder, 1 felt dry wiper, 10 magnets, 1 bottle of board cleaning spray.
