

1

1–3 | Steel conveyor rollers

- Durable and heavy duty steel construction
- Smooth running for material flow without problems
- Different axle versions available

Material: steel.

5

5 | Plastic conveyor rollers

- For light duty roller conveyors and flow shelves
- Plastic coating, ideal for sensitive goods and components
- Quick to install, low in noise and maintenance free

Axle type: sprung axle. Axle Ø: 8 mm. Material: plastic. Roller Ø: 50 mm. Temperature resistance: –5 °C to +50 °C.
