

Extra large, 6 litre capacity – for less frequent emptying

Safety ashtrays

Sturdy, deep drawn manufacture using powder coated sheet steel or non-rusting stainless steel.

Cigarette waste is forced into the container via a funnel shaped lid.

No oxygen exchange possible due to small lid opening. Therefore no burning and minimal fumes.

Optionally available for wall mounting, with a Ø 190 mm stainless steel hood to provide protection from rain when installed outdoors, or with a black powder coated base, Ø 250 mm.

Combination ashtray for ash and waste.

Self-extinguishing

Wall mounting
