1-8 | Boltless shelving units for open fronted storage bins

- Easy to assemble due to boltless plug-in connections
- Standard shelving units and extension shelving units of the same depth can be combined
- For well organised, compact storage

Height: 2000 mm. Material: sheet steel. Design: plug in. Finish: zinc plated. Frame colour: zinc plated. Max. shelf load: 150 kg. Max. bay load: 1300 kg.

The specified max. load values are applicable with uniform load distribution. Additional shelf levels may be used if the specified max. bay load is observed.

For shelving units with depth of 336 mm, wall or floor anchoring must be provided.
