

1–4 | Aluminium transport boxes

- Easy to carry due to plastic sheathed spring trap handles, also suitable for roller conveyors
- Secured with 2 lockable snap locks (2 keys), hinged lid
- Sturdy with reinforcement beading, robust corner joints and aluminium corner reinforcements

Material: aluminium. Lock type: snap lock.
Colour: aluminium silver. Handle type: sprung handles.
Type: suitable for roller conveyors.

Capacity: 42 l. External length: 490 mm. External width: 380 mm. External height: 255 mm. Internal length: 480 mm. Internal width: 350 mm. Internal height: 250 mm. Weight: 2.5 kg. Max. load: 20 kg.

1 | Ref. 274 291 6G € 129.00

Capacity: 66 l. External length: 560 mm. External width: 430 mm. External height: 305 mm. Internal length: 550 mm. Internal width: 400 mm. Internal height: 300 mm. Weight: 3 kg. Max. load: 25 kg.

2 | Ref. 274 453 6G € 159.00

Capacity: 123 l. External length: 680 mm. External width: 490 mm. External height: 405 mm. Internal length: 670 mm. Internal width: 460 mm. Internal height: 400 mm. Weight: 4.5 kg. Max. load: 30 kg.

3 | Ref. 274 488 6G € 195.00

Weight: 10 kg. Scope of delivery: 1 aluminium box of each size: 42 litre, 66 litre, 123 litre.

4 | Ref. 274 275 6G € 339.00

All specified max. loads apply with uniform load distribution.

5–8 | Aluminium cases

- Dustproof and splash water protected due to lid with all-round seal, also suitable for roller conveyors
- Smooth, anodised finish, corners reinforced with case brackets, low weight
- Safety tension locks with rebound protection (2 keys) and wide, full length hinge

Material: anodised aluminium. Lock type: tension locks.
Material properties: dust and splash water protected.
Colour: aluminium silver. Type: suitable for roller conveyors.

Capacity: 15 l. External length: 370 mm. External width: 330 mm. External height: 145 mm. Internal length: 360 mm. Internal width: 300 mm. Internal height: 140 mm. Weight: 1.8 kg. Max. load: 25 kg.

5 | Ref. 561 932 6G € 329.00

Capacity: 20 l. External length: 480 mm. External width: 380 mm. External height: 125 mm. Internal length: 470 mm. Internal width: 350 mm. Internal height: 120 mm. Weight: 2.2 kg. Max. load: 30 kg.

6 | Ref. 561 940 6G € 379.00

Capacity: 24 l. External length: 540 mm. External width: 360 mm. External height: 145 mm. Internal length: 530 mm. Internal width: 330 mm. Internal height: 140 mm. Weight: 2.5 kg. Max. load: 30 kg.

7 | Ref. 561 959 6G € 389.00

Capacity: 28 l. External length: 480 mm. External width: 380 mm. External height: 175 mm. Internal length: 470 mm. Internal width: 350 mm. Internal height: 170 mm. Weight: 2.6 kg. Max. load: 30 kg.

8 | Ref. 561 967 6G € 399.00

9–13 | Aluminium combination boxes

- Lockable, dust and splash water protected
- Inherently stable and impact resistant with rim, lid and base profiles
- Very sturdy

Material: aluminium. Material properties: dust and splash water protected. Colour: aluminium silver.

Capacity: 135 l. External length: 900 mm. External width: 500 mm. External height: 370 mm. Internal length: 850 mm. Internal width: 450 mm. Internal height: 350 mm. Weight: 9.5 kg. Max. load: 60 kg.

9 | Ref. 537 209 6G € 439.00

Capacity: 81 l. External length: 800 mm. External width: 400 mm. External height: 330 mm. Internal length: 750 mm. Internal width: 350 mm. Internal height: 310 mm. Weight: 5.5 kg. Max. load: 50 kg.

10 | Ref. 537 411 6G € 289.00

Capacity: 60 l. External length: 600 mm. External width: 400 mm. External height: 330 mm. Internal length: 550 mm. Internal width: 350 mm. Internal height: 310 mm. Weight: 4.5 kg. Max. load: 40 kg.

11 | Ref. 117 048 6G € 219.00

Capacity: 42 l. External length: 600 mm. External width: 400 mm. External height: 240 mm. Internal length: 550 mm. Internal width: 350 mm. Internal height: 220 mm. Weight: 4 kg. Max. load: 25 kg.

12 | Ref. 537 624 6G € 179.00

Weight: 23.5 kg. Scope of delivery: 1 aluminium box of each size: 42 litre, 60 litre, 81 litre, 135 litre.

13 | Ref. 117 099 6G € 889.00
