

12 – 19 | Heavy goods trailers

- In line with workplace safety regulations for transport vehicles

Platform material: pine wood covering, treated with preservative. Type of tyre: twin tyres.
Finish: painted. Wheel type: solid rubber. Colour: pure orange RAL 2004.

The technical specifications for these trailers makes it necessary to manufacture them to order.

For this reason, please be aware that there is no right of return for these items.

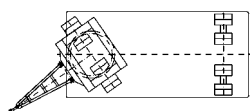

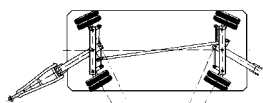

On request

- Various platform coverings
- Additions and attachments
- Punctureproof solid tyres, with all the advantages of pneumatic tyres
