

1–3 | Universal absorbent concentrates

- TÜV tested – absorbent agents for virtually all liquids and every floor
- Particularly suitable for thicker materials, such as resin, paint, varnish etc.
- Extremely absorbent – fast absorption: spread – collect – dispose of

Absorption: 145 l/pack. Weight: 16 kg. Type: universal. For media: viscous liquids.

1 | Contents: 10 l. Weight per item: 1.6 kg. Pack of: 10.

Ref. 741 138 6G € / pack 145.00

2 | Contents: 50 l. Weight per item: 8 kg. Pack of: 2.

Ref. 741 139 6G € / pack 69.90

3 | Contents: 100 l. Weight per item: 16 kg.

Ref. 741 141 6G € 59.90

4–5 | All-purpose absorbent granulate R

- For interior and exterior use – DEKRA tested
- Binds oil, varnish, alkaline solutions, acids, diesel
- No clumping and clogging – easy to sweep up after a short absorption time

diesel etc. Weight per item: 15 kg.

4 | Absorption: 45.2 l/pack. Weight: 60 kg. Pack of: 4.

Ref. 741 070 6G € / pack 79.90

5 | Absorption: 406.8 l/pack.

Weight: 540 kg. Pack of: 36.

Ref. 741 072 6G € / pack 549.00

Contents: 40 l. Delivery form: sack.

Type: universal. Oil binding agent

classification: R. For media: oils, petrol,

7–12 | Flexible sealing mats

- Protection from escaping hazardous substances – seals manholes, drains etc. quickly
- Resistant against many chemicals, oils and water based liquids
- Robust, reusable – simply clean with soapy water

Mat height: 8 mm. Material: polyurethane.

Type: universal.

6 | Cargo restraint straps

Pack of: 2.

6 | **Ref. 713 363 6G € / pack 27.90**

The mat should overlap with the opening by approx. 80 mm on all sides.
