

First aid room and wall-mounted folding couches

1 First-aid room couch

With fixed base frame. Couch height 500 mm. Couch with ventilation, very strong and formaldehyde free. 40 mm foam cushion. Cover made of reinforced vinyl, easy care and durable. Adjustable head rest. Rectangular tubular steel frame, integrated roll fixture for sanitary paper (see accessories).
Surface area 2000 x 700 mm.

2 Wall-mounted folding couch

Space saving solution for providing first aid room couches, even in small rooms. Can be set up quickly in just a few steps. Two hinged brackets for wall mounting. The brackets can be installed on either the left or right side (lengthwise), and should be bolted onto the wall at the same height as the couch.

Also available online in the colours grey, beige and blue.
