

Type of worktop: solid beech, optionally with universal or sheet steel cover

Worktop thickness: 40 mm

Working height: 840 – 1040 mm

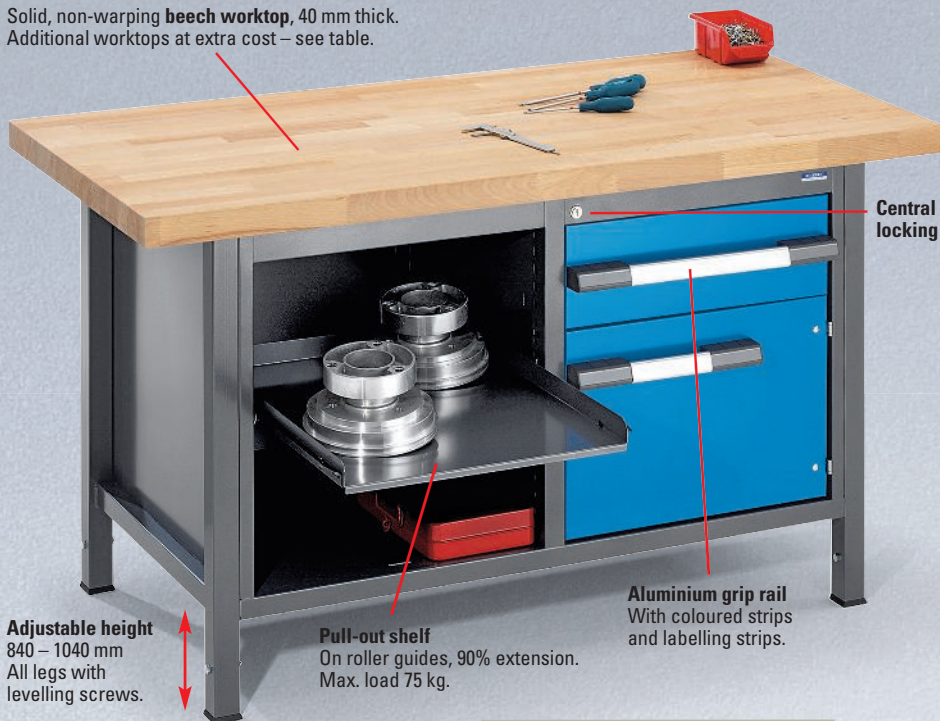

Max. static load: 1000 kg

Form of delivery: fully assembled

Uses: industry, workshop, production, assembly, etc.

Solid, non-warping **beech worktop**, 40 mm thick. Additional worktops at extra cost – see table.

Central locking

Aluminium grip rail
With coloured strips and labelling strips.

Pull-out shelf
On roller guides, 90% extension.
Max. load 75 kg.

Adjustable height
840 – 1040 mm
All legs with levelling screws.

Your advantage

Extremely durable workbenches with many functional expansion options. The adjustable working height ensures ergonomic working at all times.

Height adjustable workbenches

Sturdy, powder coated sheet steel construction. Rectangular tubular steel frame 45 x 45 mm.

Solid beech worktop, 40 mm thick. Worktop depth 700 mm.

Drawers

On ball bearing mounted telescopic rails with Soft Closing, 100% extension. Max. load 100 kg. Internal dims.: width x depth 490 x 560 mm. Does not apply to suspended drawers.

Compartments with hinged doors

Height 540 mm (incl. 1 pull-out shelf) or 360 mm. Door opening angle 180°. Internal dims.: W x D 560 x 650 mm.

Two colour options

Frame and body

Metallic charcoal or light grey RAL 7035.

Drawers/doors

Light blue RAL 5012 or reseda green RAL 6011.

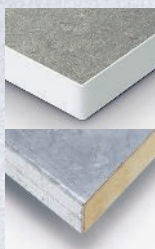

Optional worktops

Workbenches can also be supplied with a universal or sheet steel covered worktop instead of the solid beech worktop.

Both 40 mm thickness.

Price = extra cost

Can only be ordered in conjunction with a workbench.

Drawers on ball bearing mounted telescopic rails (100% extension) with Soft Closing – impact of drawers is dampened, drawers close automatically and quietly. Optimum access – comfortable handling.

Universal worktop

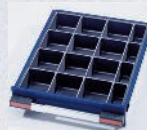

With antistatic, resistant and hardwearing linoleum cover. Flame retardant (B1) in accordance with DIN 4102. Resistant to oil and grease. All round ABS edging.

Steel sheet cover worktop

With 2 mm thick, hot dip galvanised sheet steel cover. Curved up at front (U-shaped) and rear (L-shaped). ABS edging on the sides.

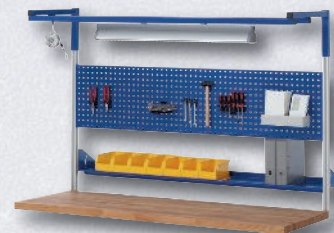

from € **245,-**
