## Gummed tape sealing

- Extremely strong, secure seal
- Environmentally friendly, heat, cold, light and moisture resistant
- Theft-proof sealing technology with gummed tapes up to 200 m in length

### Gummed tape dispenser

In four practical versions, manual or electronic.

**1 Adhesive tape roll moistener**  
With pressure cutting blade and brush moistening. Tape width 40 – 80 mm.

**2 Single length, semi-automatic**  
Dispenses, moistens and cuts gummed tapes. Strip length per operation can be set up to 750 mm. Optimum moistening with double brushes.

**3 Gummed tape dispenser, electronic**  
28 standard lengths from 150 – 2900 mm are instantly selectable. Continuous operation button, water tank with overflow valve, finely adjustable upper heating.

**4 Gummed tape dispenser, electronic**  
Two lengths can be set progressively from 100 – 2500 mm. Tape dispensing started by button or automatic photocell. One dispensing rate can be set. Continuous operation button, finely adjustable upper heating.
