## EUROKRAFT DIY house

Universal room system made of sandwich panels for straightforward, fast and safe self-assembly

- Easy self-assembly using tongue-and-groove plug-in system
- Easy to extend and suitable for flexible use
- Fast disassembly and reassembly possible
- Sections made of high quality sheet steel
- Can be configured to individual requirements

Modern and space saving room system comprised of lightweight and stable sections. Straightforward and fast to assembly in almost no time. Individual configuration by using diverse base elements and accessory packages.

The filling used for all sandwich panels is made of flame resistant PIR foam B-s2, d0 compliant with EN 13501, B1 compliant with DIN 4102.
