Assembly Service

Delivery-Assembly-Packaging removal
Available at cost on request.

Classic design with high manufacturing quality. The robust construction ensures durability, the conventional give a feeling of reassuring familiarity.

LENA allows you to create practical workstations quickly.

Desks

Powder coated tubular steel frame, 30 x 30 mm.
Graphite black for desktops with beech finish, aluminium silver for light grey desktops.

The linking panel allows the worktop to be expanded quickly and simply into a desk combination.

Base cupboards

The base cupboards can be mounted on the left or right. Switching to the left or right at a later stage or retrofitting is possible without great effort.

With central locking and cylinder lock as standard.

Auxiliary furniture

Matching cupboards and sideboards for expanding the work surface.

Pedestal with four drawers and a utensil drawer.
Central locking (common key).

All of the furniture is delivered assembled.
