

Shelving units and cupboards

The presentable rear panel with tongue and groove connection is in the body colour and allows the cupboards and shelves to be used as ideal room partitions.

With 45 mm high steel plinth closed on all sides, adjustable through concealed openings in the base.

Plinth in aluminium silver with light grey body, in graphite black with beech finish.

All double door cupboards have a three-point locking system with cylinder lock.

Sliding door cupboards are fitted with a cylinder lock in the middle.

Supplied fully assembled.

Height adjustment screws in the base
