

### Material

Melamine coated chipboard  
Roller shutters made of PVC-free plastic

### Cable management

Optional: horizontally with cable tray

### Mobile pedestal drawers

Plastic ORGA frames with high quality **self-retracting** metal guides. Inner partitions possible, extension 80%

### Interior cupboard fittings

Wooden shelves and drawers

### Material thickness

Tabletops 25 mm, table rear panels 19 mm, fronts and body parts 19 mm, shelves 19 mm, on cupboard with folding doors 22 mm

### Assembly Service

#### Delivery · Assembly · Packaging removal

Available at cost on request.

Durability and high quality are combined with a modern design to provide a modern ambience.

### Desks

Rounded table edges. Solid steel frames with round tubular legs in aluminium silver.  
Height adjustable from 680 to 760 mm (up to 880 mm upon request).  
Round pipe legs can be moved backwards for connections.

### Counter extensions

A decorative and practical counter solution is produced quickly by mounting the counter extensions by screwing them in place.

### Pedestals

The exceptionally high quality metal guides guarantee the best rolling characteristics. The drawers can be organised with dividers or slanted trays (see accessories).  
All models with central locking (common key) soft close with self-retraction and pull-out stop.

### Cupboard units

Hinged and folding doors each with two attractive handles.  
Folding door cupboards with a 170° opening angle, particularly space saving due to the folding design.

Lockable roller shutter cupboards with high quality PVC-free plastic roller shutters.

The roller shutter door remains open at any height due to sprung roller.

**Pedestals are delivered assembled.  
Handles and castors enclosed for self-assembly.**

**All other items are delivered flat pack.**
