

Permanent contact mechanism

Contoured seat

**Permanent contact mechanism**

The back rest follows the movement of the upper body, the seat does not change. The counter pressure is fixed.

**Contoured seat**

Deep and wide shell shape, in foam, within a plastic sub-shell with additional pelvic support.

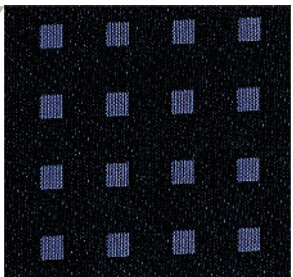

**Your advantage**

The extra wide seat with hip support and the wide, trapezoid shaped back rest with integrated lumbar support make this an exceptional office swivel chair. All these features at an unbeatable price.
