

Permanent contact mechanism

The back rest follows the movement of the upper body, the seat does not change. The counter pressure is fixed.

Orthositz® orthopaedic seat

The saddle shaped form automatically holds the user in an upright and proper sitting posture, which prevents fatigue and promotes healthy sitting.

Your advantage

The **Body Balance Tec®** pivoting seat joint promotes dynamic sitting and strengthens back muscles. Thighs are not cramped by movements towards the side.

With fixed, ring style arm rests as standard.

Seat width 480 mm
 Seat depth 440 mm
 Height adjustment range 420 – 550 mm
 Lumbar support
 Cover material 100% polyolefin
 Castors for soft floors as standard.

Available colour combinations

Easy care fabric cover in black, royal blue and bordeaux.
 Frame in graphite black RAL 9011.
