

Index board with replaceable labels, transparent and self-adhesive

Column headings can be easily exchanged

Extra wide pockets for thick cards or stacks up to 7 mm – sturdy sheet steel brackets prevent cards from slipping out

Concealed spacers limit the insertion width of the pockets and prevent documents from sliding back and forth

Card sorting boards

For A4 portrait format

You will work more efficiently – your work documents are well ordered and stored in a clear manner.

- Find every document immediately
- Large, visible form section, protrudes 40 mm from the board
- Can be expanded at any time
- Easy to mount on a wall or board stand
- Ideal for invoices, delivery notes, production orders, work progress forms, quotations and much more

Body made of 12 mm thick MDF panel, melamine coated on both sides. Pockets made of 1.5 mm thick plastic. Frame made of sheet steel, powder coated in white aluminium RAL 9006.

All components are connected with screws.

Concealed mounting kit on the back made of aluminium profiles.

Available in two heights.

Board stands

for suspending card sorting boards on request.
