

## Maintenance

Technical equipment requires regular maintenance.

With a **service contract** you are always on the safe side.

Get competent advice.

As an authorised partner we are able to offer routine **safety inspections**.

## On-site service

Our **mobile service technicians** are prompt and reliable. Therefore many repairs can be made on-site, including after warranty repair work as well.

## Replacement parts

We keep wear parts in stock and we can obtain other replacement parts quickly.

**We make daily shipments via the shortest routes.**
